**Things to look for in this issue:** RO class, Home Defense, Train, Cowford Badge, Cowford Calendar. Attachments: March match, Stampede Application.

**Misfire's Mom:** Misfire has been in Denver for the past couple of weeks tending to his ailing Mother. Keep her in your prayers

**RO I & II Class is coming:** It has been some time since our last RO class. We are taking names of shooters who want and need this class. Once we get enough names, we will contact Deadly Sharpshooter to schedule the class. RO I is in the morning and can be taken by anyone. RO II in the afternoon and requires that shooter has been active for 6 months. If you are short of this time, don't worry, it is likely you will have the time in by the time of the class. So far Bisquit Shooter, Wagonmaster Woody, Natchez T and Rev have signed up. Please email Willy if you want to attend. If you are already a RO II you can audit the class to get updated.

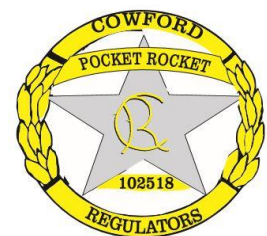

**Conceal Pistol/Home Defense Shotgun Match:** We shoot every 3<sup>rd</sup> Sunday. Be there between 7:30 & 8 to help us set up. Lead down range at 9. Get your modern gear and a friend and come out. Great for the family.

**WILD WEST EXPRESS TRAIN RIDES IN ST. MARYS:** Our 5<sup>th</sup> iteration of the Express ran the first two Saturdays of March and it was a great time. Willy and Barbara want to thank all the cowboys who came out. We nearly got rained out on the first weekend, but the next week the weather was perfect. We already have plans for next year and we will start to work on a script in September.

**Cowford Badge:** We are collecting orders for a new Cowford badge designed by RIAMBSC. They are \$62. If you have not gotten in your order, we will be doing a new order soon. Get a look at the badge being worn by our shooters.
