Things to look for in this issue: Misfire's Dad, RO class, Home Defense, Cowford Badge, Willy is running for office, Cowford Calendar,

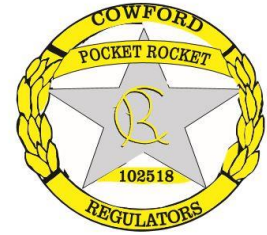

Passing of Misfire's Dad: It is with great regret that I announce that my Father passed away on May 12th, 2019. He spent the last 7 years of his life being cared for by his son Jake (Misfire Mordecai) and his son-in-law Bowen (Dangitt Noddighan). Despite being homebound he was an avid fan of the Cowford Regulators and always insisted on reviewing the scoring sheets and being briefed on all the details. He is survived by a son and daughter, 2 grandchildren and 3 great grandchildren. Misfire

RO I & II Class is set for July 21st, Sunday: We have cleared it with the range to use their classroom in the new building. RO I will be in the morning followed by ROII in the afternoon. There will also be a practical on using the clock after the class. So far Bisquit Shooter, Wagonmaster Woody, Natchez T, J. Sackett and Rev have signed up. We know that some shooters have an issue with a Sunday class. We are sorry about this. However, if you can adjust your schedules, we would love to have you. If you are already a RO II you can come to the class to get updated.

Conceal Pistol/Home Defense Shotgun Match: We shoot every 3rd Sunday. Be there between 7:30 & 8 to help us set up. Lead down range at 9. Get your modern gear and a friend and come out. Great for the family.

Cowford Badge: We are collecting orders for a new Cowford badge designed by RIAMBSC. They are \$62. If you have not gotten in your order, we will be doing a new order soon. Get a look at the badge being worn by our shooters.

Willy is running for the GRPC board: My name is William Todorsky, but many of you know me as Willy Whiskers from the Cowboy Action Shooting Club. I am running for a seat on the GRPC board. I have been involved with the range for many years going back to my Navy days in the 1970's. I remember when No Road was just a muddy track. I began as a day shooter before becoming a member of the Cowford Regulators. Last year, I became the director of the new Concealed Pistol/Home Defense Shotgun Match held on the 3rd Sunday of every month. Having interactions with both individual members and the different clubs allows me to share a unique perspective of the range. This would be an asset not only to the board, but to some of our most active members at GRPC.
